## About the role

PatientsCann UK CIC is an organisation dedicated to advancing the medical cannabis industry through patient-centred education and engagement, offering a range of services, including consulting, research, and advocacy, to support both patients and industry professionals. The success of our mission depends on the support of dedicated volunteers like you.

Our volunteers play an essential role in raising awareness of medical cannabis and increasing engagement with our organisation. In this role you will work closely with the management team to support the organisation. This role description is flexible to encourage a wide range of skills and experiences to contribute to this role. You will have the option to volunteer in any area as agreed between you and PatientsCann UK.

The success of PatientsCann UK hinges on the support of volunteers like you. You will be passionate about empowering patients, spreading awareness, and making a positive impact on the medical cannabis community. Volunteers will play a crucial role in helping us reach a broader audience and ensure the smooth running of the organisation.
