Re: Case Reference: [Insert Case Reference] – Statutory Defence under Section 5A(3) Road Traffic Act 1988

Dear Procurator Fiscal,

I am writing in relation to the above-mentioned case concerning the allegation of failing a roadside blood test for cannabis. I wish to bring to your attention that I hold a valid prescription for a cannabis-based medicinal product.

Section 5A(3) of the Road Traffic Act 1988 provides a statutory defence for individuals who are lawfully prescribed a controlled drug. In light of this, I believe that the prosecution should be reconsidered, as my use of the substance was entirely legal and under medical supervision.

I respectfully request that the prosecution be discontinued, given that the statutory defence applies in this instance and continuing the case would not serve the interests of justice. I am happy to provide any documentation, including my prescription and supporting medical records, to confirm the lawful nature of my use. I have attached a copy of my most recent prescription for clarity on this.

Thank you for your attention to this matter. I look forward to your confirmation that the prosecution will be discontinued in accordance with the statutory defence provided under Section 5A(3).

Yours faithfully,
